Archdeacon At St. Francis

Archdeacon Braidwood

Next Sunday, Oct. 20, Archdeacon Braidwood will make his annual visitation at St. Francis Episcopal Church here. He will preach at the 11 A.M. service.

The Venerable Charles D. Braidwood became Archdeacon of the Diocese of Michigan on Jan. 1, 1959.

Born in Dryden in 1911, he graduated from the U. of M. in 1934 with a B. A. degree and received his M. A. degree in 1938. He attended the Episcopal Theological School in Cambridge, Mass., and obtained an S. T. B. degree in 1942. He was ordained to the Priesthood in 1942 by Bishop Croighton.

He started his ministry as Rector of Grace Church, Lapeer in 1943 and resigned in January of 1951. He is Chaplain to the Lapeer State Home and Training School and has been for some years past. He was Vicar of St. John's Church, Otter Lake, from 1942 to 1957; Vicar of St. John's Church, Dryden from 1951 to 1957; Vicar of St. Dunstan's, Davison from 1958 to 1957; and Vicar of St. Alfred's, Lake Orion, from 1954 to 1957.

Mrs. Michelson was a guest of the Woman's Club last week and wished to contribute to this very worthwhile project. We have also received from Miss Margaret M. Bauman \$3, Mr. and Mrs. Geo. Griffith, \$1, a friend \$10, Mr. Joseph Sakowski \$10, \$10 from Emil Kraus Sr. and a \$30 pledge from the Women of the Moose, \$10 paid and the rest later. For a total of \$1500.00.

Again thank you all and this closes our drive for Crawford Co. If however anyone still wishes to contribute we will be glad to send your donation over to the proper person for you.

County Red Cross Quota \$1971.00

The 1963 Red Cross drive for members and funds in Crawford County is scheduled for the last two weeks of this month. The quota in Crawford County is \$1,971. Organizational plans are already underway. Following is a list of the key workers who have volunteered to head up the campaign in their particular areas: Grayling Business District, Derek McEvers; Grayling Residential Area, Mrs. Clayton Hildebrandt; Frederic, members of the Volunteer Fire Dept. Aux.; Wakeley's Corners, Arthur Wakeley Jr.; Lovells, Mrs. Tom Morris; Beaver Creek (west of U.S. 27) Mrs. Stella Skolasky and Mrs. Kenneth Wyman.

Key workers are urgently needed for Karen Woods, AuSable Trail, Lake Margaret and Maple Forest areas. Anyone willing to serve this capacity for this worthy cause kindly call Mrs. Leo Jorgensen at 348-4781 or Jess Skinner 348-8596.

This year marks the 100th anniversary of the founding of the Red Cross, so it would be quite fitting for Crawford County to fill its quota 100%. The Red Cross is a light in the darkness... it is the duty of all of us to see to it that it does not go out.

LOCAL NEWS

Dr. and Mrs. Vernon Blaha, Jack Alef and son John attended the Notre Dame - Southern Cal football game at South Bend Saturday, going Friday to spend the weekend visiting the Blahs' son George. The Andrew Wilsons of Detroit were among those attending the game Saturday.

Larry McNamara and Clyde Peterson came home Thursday from 12 days of hunting on the Albany River in Ontario, Canada, bringing a moose with the biggest spread yet shipped out of the area, a horn rack of 60 inches.

Mrs. Lloyd Berry has received word that her son Lloyd Jr., of Pontiac, got a 4-year-old bull moose Saturday in the Chapleau area with a 33-inch horn spread weighing around 1500 pounds.

Lewis Stillwagon, President of the Northern Michigan Sheriffs' Ass'n., and Sheriff Art Clough were hosts to a dinner meeting of 47 association members Monday, the 7th, at the Legion Hall, for which the Legion Auxiliary served the excellent dinner.

The George A. Robertsons of Sarasota, Fla., are guests of the Herb Wolffs this week.

The Grayling Vikings will host the Mancelona Ironmen for their Homecoming game this Friday night in a Northern Class C Conference battle. The Ironmen sporting a two won, two lost record are favored over the as yet winless Grayling team in conference play.

Mancelona lost last Friday night 19 to 7 to the East Jordan Red Devils but the Jordanians are currently the loop leaders. The Ironmen have dazzling speed and the Grayling ends will be hard pressed to drive in the Mancelona sweep plays.

The upset of the week last Friday was the Charlevoix Red Raiders mousetrapping the Boyne City Ramblers 32 to 0. Harbor Springs outlasted the Pellston Hornets 33 to 18.

Last Friday night at Grayling, the Vikings were once again the victims of "fumbleitis". They lost 5 of 6 miscues and most of them after long marches that were bringing them into scoring territory.

The Blue Devil's Gary Harris scored two of Grayling's touchdowns. In the second period, he took a 26 yard pass from Jim Johnson and in the third period plunged in from the one. Gene Sanders scored on a 53 yard scamper and Jim Beebe added the fourth on a one yard plunge.

Grayling St. Mary's Plans Open House

Catholics throughout the Diocese of Grand Rapids are extending to persons of all faiths an invitation to visit their Catholic Churches Sunday, October 27th, "Our Open House is designed to promote better understanding among persons of various faiths," said Joseph Antonucci of Grand Rapids, President of the Grand Rapids Diocesan Council of Catholic Men.

No religious services will be conducted during the "Open House." Bishop Allen J. Babcock, Bishop of Grand Rapids, has given the Council of Catholic Men the primary responsibility for the program, which has been put on so successfully in other sections of the United States. The Diocesan Council of Catholic Women is co-operating with the Council of Catholic Men in the worthwhile project. There are 127 Catholic parishes in the 29 counties of the Diocese of Grand Rapids. All of these churches as well as their schools and the uncluttered portions of their rectories and convents, will be open to public from 2:00 to 5:00 p. m. on Sunday, October 27th.

"The main objective of our 'Open House Program' is to let persons of other faiths see where we worship and learn something about how we worship," said Mr. Perry Wells, Program Chairman for the Open House at St. Mary's Church, Grayling.

County Scout Fund Drive Next Week

A fund drive in Crawford County will take place next week for the Paul Bunyan Council, Boy Scouts of America. Don Bartholomew for the second straight year has accepted appointment as the fund drive chairman in Grayling. Solicitation will start here on Oct. 22 throughout the Grayling area and is expected to be completed within one week.

In Frederic, Bernard Hinkle will head the campaign and a kick-off dinner will be held at 6 p.m., Oct. 22 at the Town Hall. Approximately 30 men will make the solicitations in the Frederic, Maple Forest and Lovells areas.

Goals this year are to raise \$300 in the Frederic area and \$1,500 in Grayling. The highest amount raised in any of the past years in the county was \$373 in Frederic and \$1,562 in Grayling.

Grayling now has a Cub Scout pack with 63 registered boys and 18 men and women serving as leaders, den mothers and committee members. Claude Halstead is Cubmaster. The Troop has 22 Scouts and four adults with Howard Brown as Scoutmaster. Both units are sponsored by the Methodist Men's Club.

Frederic Scouting is sponsored by the Sportsman's Club. The Cub Pack has 17 boys with 11 adults and the Troop, just reorganized, has 8 boys.

At the Kiwanis Club of Grayling meeting on Monday evening, there was a discussion of taking on the sponsorship of an Explorer program for the high school age boys.

Action was tabled until more details of the sponsorship have been worked out.

Funds used by the Paul Bunyan Council make possible the Scouting program for boys 8 years of age through high school through-out a seven county area. Four trained executives and two office girls give their full time to scouting in the area. Wesley Quandt Jr. of West Branch is in Crawford County every few days as needed to assist the leaders with organization and training work providing literature and help in program planning.

Mr. Bartholomew has arranged the City of Grayling into 10 sections with a captain over each. The captains, to be named very soon, will have workers enlisted under them for the fund drive.

Expect 300 Teachers Here On Saturday

Lansing — An experiment in leadership training for teachers will be conducted at Grayling High School, Oct. 19, when the Dept. of Classroom Teachers holds its leadership convolve for DCT Areas 14 and 15.

The DCT, an affiliate of the Mich. Education Ass'n, is holding six such conferences throughout the state this fall. The Grayling workshop is expected to attract over 300 teachers.

Cecil C. Elmore, MEA assistant executive secretary in charge of programs, said: "One of the main purposes of the convolves is to acquaint classroom teachers with the program of the DCT. The reaction toward DCT program is directed toward new horizons for the classroom teacher and we are concentrating our efforts in the areas of teacher welfare and the improvement of instruction methods. We hope these convolves will bring the services of the DCT closer to the on-the-job classroom instructor."

Registration for the one-day conference will begin at 9 a.m. and the program will start at 9:30. The session will be opened by DCT President Richard Wirth, Detroit, who will discuss "Leadership and the Program of DCT."

More In Upper Brackets In Crawford County

NEW YORK — A larger segment of Crawford County's population than ever before is now to be found in the middle and upper income brackets.

The income gains of recent years have carried many of them to new and higher levels.

Families who had been in the \$4,000 to \$7,000 category have moved into the \$7,000 to \$10,000

bracket. Their former position has been occupied, in turn by families who had been in the \$2,500 to \$4,000 group previously.

The facts are brought out in a breakdown of 1962 incomes, conducted by Sales Management. The copyrighted study, which shows the proportion of the population in each grouping, covers the entire country.

It determines, for each community, whether the so-called "average income" is enjoyed by a large part of the population or whether it is merely a statistical figure resulting from a balancing off between very high and very low income classes.

Some 599 households in Crawford County had disposable, cash incomes last year of \$4,000 or more, it is shown. This was after payment of their Federal and state taxes.

It marked a gain over the preceding year, when there were 575 local households in the "over \$4,000" brackets.

The change, in the one year amounted to 4.1 percent. The comparable gain in the U. S. was 2.7 percent. It was 2.1 percent in the State of Michigan.

At the \$7,000 to \$10,000 level locally are 98 households, the breakdown shows, and, at the \$2,500 to \$4,000 level, 301 households. It all adds up, for the average family, to greater purchasing power than before. The increase in its net cash income has more than kept pace with the rise in the cost of living, according to the U. S. Office of Business Economics.

It reports median income in 1962 was \$220 higher, nationally, than it was in 1961. The prices of consumer goods and services advanced only one-third that much, however, in the year, so that real purchasing power rose nearly \$150 per family.

The big incomes earned today, compared with what they were 10 or 15 years ago, are attributed, in part, to the fact that nearly half of the nation's families now have two or more wage earners. The answer is that many more married women have entered the labor force.

Once more Leonard leads the way!

Total Performance Plus Cleana!

Only Leonard Super has this remarkable new ingredient that cleans your carburetor as you drive — and keeps it clean!!!

Last year Leonard brought you America's first Total Performance gasoline — the greatest value in gasoline history. Now we bring you Leonard Super, the only gasoline in Michigan with "Cleana." "Cleana" is Leonard's remarkable new ingredient that actually cleans your carburetor as you drive — and keeps it clean!

As air comes in your carburetor, it constantly deposits dirt. Some crankcase ventilation systems add still more oil-laden deposits. As this contamination builds up in your carburetor, your engine begins to idle rough, it stalls in traffic and gasoline mileage drops.

Leonard Super, with exclusive "Cleana," actually cleans out the dirt — and it keeps your carburetor clean as a whistle. Amazing but true! Just as long as you use Leonard Super with "Cleana," your carburetor will stay clean. Your engine will run better — and gasoline mileage will improve.

Only Leonard Super has "Cleana" — the amazing new ingredient that cleans your carburetor as you drive. A first-class reason why you should patronize your Leonard Community Service Station! You can depend on Leonard!

Let's Hear From The Family Farm...

The family farm has been the subject of much worried discussion, spurred by the fear that it is in danger of being absorbed by the big corporate farm.

Yet, according to the Secretary of Agriculture, the family farm seems to have been holding its own and then some. In a late year it accounted for a higher proportion of all farms than it did 15 years before and, also, for a higher percentage of total marketings.

Even so, the Secretary feels that steps should be taken to strengthen its power of survival. Most important of these is government action to "... insure fair prices to farmers through public supply management programs when overproduction makes such programs necessary."

That phrase should be read again and pondered in order to understand its full import. If "public supply management" means anything, it means government control. So, to save the family farm from possible corporate absorption, we should give the power of management decision to a federal bureaucracy. We should, moreover, subject it to a program which has cost the taxpayers the lord-knows-how-many billions of dollars, produced some juicy scandals, and piled chaos upon confusion.

One would like the views of some typical family farm owners on this drear prospect!

Dear Grayling Fans: Many times one has thoughts that go for naught if not expressed. It was my pleasure to be at the Gaylord and Grayling football game last Friday evening.

The spirit, hard play, and determination displayed by the Grayling Team should be a source of pride to the Grayling Parents and Fans.

I know that I am joined by many of the Gaylord Fans in expressing this salute to the Grayling Team, and wishing them and their coach deserved success in the future.

Sincerely,
Frank Harris

Attend The Church Of Your Choice Sunday

How wonderful is enthusiasm. Mom and Dad will forgive this noise. They catch the spirit and joy of their young drummer boy.

Enthusiasm is not limited to small fry. But as we grow older, these joyous moments when our spirits ride high, wear thin and are diluted by everyday cares.

This is true of our religious experience. Often we are filled with eager enthusiasm when we pray and worship. Our church can guide this energy in channels of service and love.

But often our religious enthusiasm falls. In these moments when our spirits lag, we are sustained and encouraged by the enthusiasm of our fellow Christians.

How wonderful is enthusiasm. Come to church to have it renewed — Sunday and always.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

TIME FOR MILADY

The modern housewife has time-saving gadgets grandmother never dreamed of! Yet, ask the lady who appears to "have everything" and she'll tell you there is one thing she could always use: more time.

In the home where there are children, for example, mother's work is never done. She stays busy, around the clock—endless hours in the kitchen, picking up after the tribe, getting them ready for school, etc.

Time is important! And, this is why the wise homemaker learns to budget her time as carefully as her money.

And, where both items—time and money—are concerned, she usually discovers that it's easier, more economical, and more satisfying when she does her shopping and buying in the local community.

It makes sense—because the local merchant builds his business only through years of quality, satisfying service.
